New business items

President:

Bus meals - We will make one final request from players' families to take care of the January 3 and 28 meal. If no one signs up, Blueline will make sure this is taken care of. Moving forward, Blue line will step in to help with meals **if** needed.. Kassie is looking into a google survey to see who was interested in providing a meal.

Positive text messages - email communication has been resolved.

Communication w/ LTS parents - Who is responsible? 2025 needs planning to start much earlier. This is a board and team fundraiser. It should not be the responsibility of fundraising chairpersons. We will bring this up at the 2025/26 parent meeting to get feedback and weigh our options.
